Save the Wave!!

Message from FCCC President

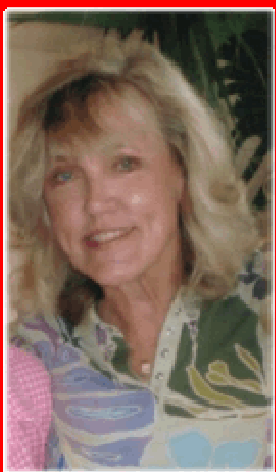

President
Paul Kachura

Taking a cruise must be the popular choice of vacation lately, many members are going - going - or gone to some enchanted Port Of Call (without their Corvette mind you) and still having a great time without it. Anyway, when we all get back home we can take that beauty for a ride and enjoy some more fun and sun. This year has already had some great events and there are many more to come. So lets all enjoy the vacation - enjoy the ride - enjoy the fun and sun - and do - Enjoy Your Day

Your President

Paul

MEMBERSHIP COMMITTEE

Due to short supplies, I recently ordered new mouse pads and auto decals that will be placed in the new membership packages over the course of the next few years. If you wish to purchase a new mouse pad, they will be available for purchase at next month’s meeting. The cost is to be determined.

For those of you that have not paid their yearly dues yet, please send your checks to Liz Binkley.

The updated list of all Officers, Board & Committee Members are on the website for members only category.

We had 39 people eat dinner and approximately 46 attend the business meeting.

Lynda Guggenheim won the 50/50.

FCCC — Cruise Committee

FCCC started the new year with an all car show on the 21st of January at the Daytona State College campus of their Advanced Technology College. We had 14 cars attend and all seemed to have a good time with perfect weather and great company. To top it off our members took 4 trophies! Congratulations to Mark Slack, Paul Kachura, Dave DiVito and Bob Hunter on their awards.

On Friday, January 27th we had 7 brave members go the Daytona Speedway and run laps on the track. Unfortunately, the rain held several from going but the people that went had a great time. Saturday and Sunday several members attended the 50th anniversary of the Rolex 24 and enjoyed the race and all of the festivities that were offered.

Well, I was going to take up this space from the office of the LED and talk about the great show, NCRS Regional at Kissimmee, FL 25-28 Jan 12 because there was not much else going on in my LED life. But wait! On the 21 Jan 12 we got notice that the Wheels in Motion Club, our local AACA Club in Flagler was having a show at the Flagler Hospital Flagler the very next day on Sunday the 22nd. The next day! Only cars older than 25 years were invited. I was told that people were tired of seeing new cars and that they really wanted to see the old ones. So, my thanks to the owners and members of the six "older than 25 years" Corvettes that showed. And with that restriction, Wheels in Motion Club had more than we did at nine tin cars. A good cause for the hospital, National Health Month or something. Did I tell you that I busted the PV test at Kissimmee? Well, I did! Fourth time now! The ignition key came out of the ignition in the on position. A no no.....Anyway, staying busy at the LED level, we have upcoming on Saturday, 14 April 12 the small little grown much larger display at the Hammock Baptist Church. Much more on that later, but mark your calendars right now--14 April 12 and stay tuned to your computers! I know you just can hardly wait. Next for Pat and I with the continuing saga of the Black Beauty, 1966 will be 7-9 June 12 at the North Central Regional in Rochester, MN (very near the Mall of America). Any one want to go? I am taking reservations now, but in the mean time, Save the Wave, King

"The Tom Gibbs display is scheduled for March 24. A sign up sheet will be passed around at the Feb and March meetings asking members to help with parking and registration and to get a count to determine how much parking space we need for our club members.

October 7 2012 proposed show date:

We still need a volunteer to be Chairman or a group to take charge of this years show if we are going to have one. There is a well oiled group in place already to assist, if you want to know more talk to Paul Kachura or Greg Norton.

Information@FlaglerCountyCorvetteClub.com

Our club was founded in 1998 by a small group of enthusiasts who wanted to share their enjoyment of Corvettes with like-minded people. Over the years the club has grown to what it is today.

The club sponsors a wide variety of activities during the year. In addition to our monthly meetings, we try to schedule at least one club event each month including car cruises to Corvette-related shows and events. We hold annual holiday parties and an annual picnic. The highlight of our year, however, is our FCCC Corvette Car Show, "Vettes at the Beach", where we regularly attract over 200 show car Corvettes from all year, 1953 to present."

We are a social club of Corvette owners together for the purpose of enjoying and sharing of the Corvette lifestyle.
