## Flagler County Corvette Club

March 2014

### *Save the Wave!!*

## Message from FCCC President

**President**

**Paul Kachura**

Let us all get ready for silly season. The month of March seems to have every weekend filled with a car show or some other event, and all of April's dates are filling in quickly for us to get out in the sun and show off our cars. Let's get out our pens and pencils, mark our calendars, and join in for all the fun and friendship, and always remember too...

Enjoy your day!

Paul

### MEMBERSHIP COMMITTEE

February, 2014

I want to congratulate our newest member Bill Scott to our club. We look forward to getting to know him better in the next year. We had another prospective new member, Robert Arendt visit our club for his first meeting.

I would like to request, that when you come to a business meeting, could you please sign the Attendance Sheet. Some of you are forgetting and when it's very crowded at the meetings, it is difficult to track people down to sign the form.

Also, please contact me if you ever hear of any of our members being "under the weather". Often times I do not hear that someone is sick or is having surgery until months later. So it would be appreciated if members could let me know any news so that Lin Britt can send out cards.

If anyone needs a new mouse pad (\$5.00) or a new car decal (\$3.00), they can be purchased at each month's business meeting.

The updated list of all Officers, Board & Committee Members are on the website under the member's category only.

We had 37 people eat dinner and approximately 70 people in attendance.

Debbie Cordoza won the 50/50 Raffle drawing.

## FCCC — Long Range Cruise Committee

Dan Beyer

As you read this, I will be shoveling snow at my sisters in Northern Idaho. I need the practice. Really only one long range cruise during February. Several members traveled to South Daytona to attend the "Drive In Christian Church" show (Thursday, February 20). There was some apprehension that the grassy field would be dusty and unkempt. Didn't turn out that way. The grass was matted and no dust to be seen. 225 cars (all makes) were in attendance (I counted fewer than that). But a beautiful day and some great cars. 15+ Corvettes, including 3, C7s. The show was planned for the same day as the Duel Budweiser races. The organizers announced their intention to hold the show again next year. A very good cause (help the homeless) and worth the trip. In addition several members attended the Daytona 500 (without Corvettes) on Sunday, February 23. As you saw, it was a great race!!!!. Six hours of soaking

rain made the parking lot a quagmire. Glad I took my old Blazer. Just a reminder of the numerous Corvette shows upcoming in the next several months. March 15-16, Venice, FL, April 12, Port Canaveral, April 27, Stuart, FL and May 18, Ponce Inlet. There are other FYI shows to be announced at the March members meeting.

Well, absolutely nothing on my calendar for Feb 14 from the LED. But March is picking up with the FBLA show at Flagler Palm Coast High School on Saturday, 8 March 14 from 1000=2:00 P.M. Then, April 19th will bring us a chance to display our plastic at the Woodlawn Commons Plaza over by commerce Drive from 1200 noon to 5:00 P.M. Then, we will start working on the July 4th parades. I hope the rains stop and while I do, you please Save the Wave, King

***FCCC — Talking Trash / Adopt-A-Road*****TRASH TALK**

First of all this new section of our newsletter is not about derogatory comments about your mother or your basketball playing skills, but to make the Club better aware of our community service project for the City. Our bi-monthly Adopt-a-Road effort this month was held on Sunday, February 9th and we had 10 members show up on the first bright sunny day that we have had in more than a week. We collected several bags of trash along Pine Lakes Parkway between Belle Terre Parkway and Wynnfield Drive, while leaving our cars in the right-of-way in front of the Pine Club for all the walkers, joggers and bikers to enjoy as they use the pathway. Seven of us stayed afterward for a great buffet breakfast at the Pine Club, including one of our newest members, Tom Cook.

Among those the Club needs to thank include Tom, Mark and Linda Hepburn (another recent new couple to our club), Dan Beyer, Joe Shauchnessy, King and Pat Bowen, Bill Butler and president Paul Kachura and first lady Bonnie Knights. The next scheduled cleanup will be Sunday, April 6th at 9:00 a.m. Come on out and join us for some good exercise, food and conversation!

Bill Butler,

Adopt-a-Road Coordinator

Adopt-A-Street 2014 Feb 08 was changed from the 8th to the 9th this February, due to rain and wind on Saturday. Seven cars and 10 members showed on a cool, clear morning, to clean up Pine lakes Parkway. After the clean up most of us went to the Country Club for brunch. Thanks to everyone who participated.

Our club was founded in 1998 by a small group of enthusiasts who wanted to share their enjoyment of Corvettes with like-minded people. Over the years the club has grown to what it is today.

The club sponsors a wide variety of activities during the year. In addition to our monthly meetings, we try to schedule at least one club event each month including car cruises to Corvette-related shows and events. We hold annual holiday parties and an annual picnic. The highlight of our year, however, is our FCCC Corvette Car Show, "Corvettes at the Beach", where we regularly attract over 200 show car Corvettes from all years, 1953 to present.
