MEMBERSHIP COMMITTEE

April, 2014

We had Ken and Judy West attend our April business meeting. We also welcomed Dean Tannenbaum and John and Mary Golly to their second meeting. We will be voting them in this month and welcome them to our ever growing club.

I mentioned to all the members that John and I will be out of the country for one month starting May 14<sup>th</sup>. It is important that if you have any particular updates, to get them to John as soon as possible. However, while were on vacation, John will be sending out routine E-Mails in the mornings and in the late evenings (provided we have good internet service) in the various hotels that we will be staying in.

I would like to request, that when you come to a business meeting, could you please sign the Attendance Sheet. Some of you are forgetting and when it’s gets very crowded at the meetings, it is difficult to track people down to sign the form.

Also, please contact me if you ever hear of any of our members being “under the weather”. Often times I do not hear that someone is sick or is having surgery until months later. So it would be appreciated if members could let me know any news so that Lin Britt can send out cards.

If anyone needs a new mouse pad (\$5.00) or a new car decal (\$3.00), they can be purchased at each month’s business meeting.

The updated list of all Officers, Board & Committee Members are on the website under the member’s category only.

We had 39 people eat dinner and approximately 60 people in attendance.

Bill Scott won the 50/50 Raffle drawing.

## FCCC — Long Range Cruise Committee

Dan Beyer

April was a busy month for long range cruise. On April 12, eight members drove to Port Canaveral for the Cape Kennedy Corvette Club Show. Over 200 Corvettes showed, it was a hot day on the pavement, but we had a great lunch. On April 26, seven members traveled to the Lake Helen all makes show. Nearly 250 cars were in attendance. About twenty Corvettes were there, in addition to a very nice mix of antique and classic cars. Greg Norton and Joe Smith won trophies (Congratulations). Greg Norton and Deb Cardoza won \$50 cash, each in the raffle. On April 27 several members traveled to Ft. Pierce, Florida for the Stuart Corvette Club show. Over 150 corvettes were shown. A beautiful venue at the Marina on the waterfront. Looking forward to a busy May!!

Save for the Woodys third Wednesday of every month things are slow for the LED. Our next event will be the 4th of July parades and we will know about that in due time. Of course, our display at the Woodland Commons on 19 April 14 had 25 of our cars. We will now follow that up for five Carshow sponsors for our show on 12 Oct. And things went well unless you are related to Art Weise who had significant auto damage trying to get over the plywood. A special thanks to Dave Divito who stepped up to run the parking issues, and those who helped him, Lou Franze and Big Al Musko (sounds like a fish I caught one time) So, now if someone can think of a local thing to do in May or June, or both, give me a yell at 386-446 5152 and I will take it up with the powers to be, as soon as I am

finished with my nap and I am the King, and you Save the Wave.

Our club was founded in 1998 by a small group of enthusiasts who wanted to share their enjoyment of Corvettes with like-minded people. Over the years the club has grown to what it is today.

The club sponsors a wide variety of activities during the year. In addition to our monthly meetings, we try to schedule at least one club event each month including car cruises to Corvette-related shows and events. We hold annual holiday parties and an annual picnic. The highlight of our year, however, is our FCCC Corvette Car Show, "Corvettes at the Beach", where we regularly attract over 200 show car Corvettes from all years, 1953 to present.
