

Flagler County Corvette Club Board of Directors Covid-19 Mitigation Guidelines for Officially Sanctioned Club Functions

(Applies to: Business Meetings, Governing Board Meetings, Local Events, Long Distance Events, DAD, BAD, Parties, etc.)

All meetings, events, to be held out of doors due to unknown air circulation controls in indoor venues.

Wearing of Face Masks mandatory except when eating, drinking.

Social distancing required (maintaining at least a six foot separation between parties not sharing the same household.)

Food & Beverage: Attendees to bring their own, or

If ordering from a restaurant: take out or curbside take away only, no indoor dining as part of an official, sanctioned club event.

Take out/curbside orders to be prepaid whenever possible, orders to be brought outside to be enjoyed while sitting in own "cars show chairs" at socially distanced spacing, adjacent to our cars whenever possible.

Additional:

These guidelines will remain in effect for all Official FCCC sanctioned events until CDC and DHS Guidelines for community gatherings change, and are amended by the FCCC Board of Directors.

The guidelines do not apply to any function or event that individual members wish to attend "on their own" such as Long Distance Events or Local Events not sanctioned by the Club. The FCCC Governing Board strongly encourages members to apply these guidelines when more than one household of FCCC members attend such events.

The Board of Directors s encourages all members to receive Covid-19 vaccinations, so that club operations can return to normal ASAP.

Thanks, and "Save the Wave"
FCCC President, Steve Davidson
